FOURTH STATUS INQUIRY

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

Please advise us in writing as to the status of the above-noted application. Applicants filed a Petition Under 1.48(a) in conjunction with a Petition Under 1.47(a) and related documents on March 16, 2004, but have not yet received a Decision. In the Detailed Action accompanying the Notice of Allowance dated February 4, 2005, the Examiner stated the following:

"In view of the papers filed July 29th, 2004, it has been found that this nonprovisional application, as filed, through error and without deceptive intent, improperly set for the inventorship, and accordingly, this application has been corrected in compliance with 37 CFR 1.48(a). The inventorship of this application has been changed by adding CAROL Y. DEVINE.

The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of Office records to reflect the inventorship as corrected."

To Applicants knowledge, the Petition Under 1.47 has never been reviewed by a Petitions Examiner. Since the case is currently after allowance and the issue fee is being paid concurrently herewith, Applicants request that the Petitions Branch review and grant the Petition prior to the issuance of the application.

Respectfully submitted,
